Pratiksha S. Patil

pratikshapatil4077@gmail.com +91 9172474077 Portfolio LinkedIn Pratiksha4077

Skills

Languages: Java, C, C++, Python, PHP, JavaScript ,SQL
Frontend: React.js, HTML, CSS
Backend: Node.js, REST APIs
Databases: MongoDB, Firebase, SQLite
Concepts: Machine Learning, Cybersecurity Fundamentals
Development Areas : Mobile App Development, Full-Stack Development

Experience

Web Develop - Intern *Kolhapur ,MH*
WOLFOX Services Pvt. Ltd. *Jun 2023 – Jul 2023*
- While pursuing Diploma I did my internship in Web development in this developed and improved web pages using modern web technologies for real-world development projects.

AI Research – Intern *Link* *Kolhapur,MH*
AI Pathshalaa *Jun 2025 – Sep 2025*
- Researched emerging AI technologies and real-world applications while contributing to web development projects.
- Worked on AI-driven tasks and modern web solutions, strengthening programming and problem-solving skills..

Projects

UrbanEye: Smart Civic Management Platform *Link*
MERN Stack, MongoDB, Google Maps API, Google API, AI/ML Integration
- Built a full-stack civic issue reporting platform enabling citizens to report municipal problems with images and location data.
- Implemented AI-based issue verification, role-based access control, automated task assignment, geospatial mapping, and real-time tracking.

Mahakali App: Voter Management
React Native , REST API, Expo ,MongoDB
- Developed a mobile application for managing voter information, village-wise records, family/member details, and voter profiles through a centralized system.
- Implemented features for voter data synchronization, searching/filtering records, location-based information, and generating reports to simplify voter management and field-level operations.

Feedback Analyzer: AI-Powered Sentiment Analysis System
Python, NLP, Machine Learning, JavaScript
- Developed a web application that analyzes user feedback and reviews using Natural Language Processing.
- Implemented positive, negative, and neutral sentiment classification with automated feedback processing and visualization.

Education

D.Y.Patil College of Engineering & Technology, Kolhapur *2024 – 2027*
B.Tech in Computer Science & Engineering *CGPA: 9.1 / 10*

Institute of Civil and Rural Engineering, Gargoti *Completed 2024*
Diploma in Computer Engineering *Score : 90.46%*

Achievements

MLSA Technical Team (2025–26): Contributed to technical events, workshops, community activities, technology learning, and student engagement

Certifications

Deloitte : Data Analytics Job Simulation, Cyber Job Simulation, Technology Job Simulation *Link*
